

Clairbook Bright

Description

Here's a paper of character!

Clairbook Bright has a textured surface, the fibres you'll be pleased to feel. Its high bulk and its excellent stiffness make it an ideal substrate for your creative works. Extremely white, it enhances the intensity of the printed colours, and makes the message more dynamic and impactful. Certainly, a paper with character, but it knows how to be accommodating.

The surface of Clairbook Bright has been treated for an excellent runnability, contrasting and uniform prints, and is suitable for multiple finishes. Like all the papers in the range, Clairbook Bright has an excellent dimensional stability and a consistent sheet formation.

Available from 120 to 400 gsm.
