

Clairbook White

Description

Clairbook White is a delicate paper that combines elegance, subtlety and character. Its natural whiteness (CIE 120) enhances your colour prints by giving them a perfect balance. Its grain reveals the structure of the fibres, giving an authentic feel to the touch. Its bulk and homogeneous formation make it an ideal base for all your creative projects. Its surface treatment guarantees excellent compatibility with printing machines and ensures a clean, precise and consistent finish. Available in weights from 90 to 400 g/m².
